## SPECIAL PROJECTS

---

### **NASA S.U.I.T.S. DESIGN CHALLENGE**

Miami, FL &  
Houston, TX • 2018

#### **UX designer and researcher**

Planning and execution of UX design and research for a nation-wide design competition around creating spacesuit informatics through augmented reality. Successfully co-lead a student team of visual designers, UX designers, UX researchers, and programmers. Designed, steered, and executed project plan based on user-centered design methodology.

## PROFESSIONAL EXPERIENCE

---

### **UNIVERSITY OF MIAMI**

Miami, FL • 2018

#### **Adjunct professor of Interaction Design**

Syllabus, project, lecture creation and instruction for an undergraduate-level interaction design class. Topics include interaction and user experience (UX) design history, user-centered design process and strategy, design research methods, design ideation and documentation, UX evaluation methods, and interaction design (IxD) principles.

### **UNIVERSITY OF MIAMI COMMUNICATIONS**

Miami, FL • 2017

#### **Design intern**

Ideation and design of social media graphics for various platforms including Facebook, Twitter, Snapchat, and Instagram. UX design and research on behalf of the University of Miami Admissions department. Administrative assistance in managing teams, creating workflows, and communicating with clients.

### **NERDLAB**

Miami, FL • 2017

#### **Writer, designer, UX researcher**

Wrote character dialogues and story narratives for games, applications, and social initiatives. Web, application, and game assets creation and design in Sketch and Adobe Illustrator. Collaborative web design. UX research abroad in collaboration with Ghana Water Company in the capacity of global water initiatives.

### **MIAMI LIGHTHOUSE FOR THE BLIND**

Miami, FL • 2014-2016

#### **Case manager**

Successfully managed a caseload of over 100 blind and visually impaired clients. Implemented support groups, assisted with activities of daily living, and performed community education and outreach. Served as a champion for clients and the blind and visually impaired community in the arenas of health, advocacy, and accessibility.
